

# Small Commercial Network Line Charges

Effective 1 April 2002

VECSMALL NEB98/02

# Small commercial line charges

Small commercial customers are subject to the following charges according to capacity:

| Connection capacity   |                                 | Price<br><small>(before prompt payment discount)</small> | Net price |
|-----------------------|---------------------------------|--|-----------|
| 0-14 kVA<br>Capacity  | Fixed Charge<br>(cents/day)     | 19.50  | 17.55     |
|                       | Variable Charge*<br>(cents/kWh) | 5.50   | 4.95      |
| 14-70 kVA<br>Capacity | Fixed Charge<br>(cents/day)     | 55.00  | 49.50     |
|                       | Variable Charge*<br>(cents/kWh) | 5.50   | 4.95      |

*\*The Variable Charge includes transmission - Transpower charges for the National Grid.*

This schedule is effective from 1 April 2002 and applies to all commercial customers with a capacity less than 70 kVA. This schedule also applies to residential customers with a connection capacity greater than 60 Amp three phase. All charges are exclusive of GST. VECTOR may vary its charges from time to time.

## Definitions

### Small commercial line charge

Small commercial line charges are made up of a fixed cents per day charge and a variable component. Together these charges represent the cost of being connected to the network and your use of the network.

### Other charges

Details of charges for services outside of this schedule are available on request.

### Metering

VECTOR is no longer responsible for providing metering.

You can choose to have an independent metering company or your electricity retailer provide metering for your electricity. For more information on independent metering services, please call VECTOR on 09-303 0626.

### For further information

If you would like to discuss how these rates are applied to your bill, please contact your electricity retailer.

### Please note

The charges listed in the pricing table do not include energy charges for the electricity you use, as they are the responsibility of the electricity retailer supplying electricity.

### Other services

VECTOR provides a number of other services, including an electrician service for your business. If you require an electrician, call VECTOR on 0800 53 63 73, 24 hours a day, seven days a week.
